Dear Cousin Betty:

Many thanks for the information you sent me on your wonderful family.

Enclosed is a rough draft of your entry for the Supplement. Please give me any needed correction. Also, please answer these questions about you and Frederick:

1) where (city + state) did you go to high school?
2) what year did you graduate?
3) if you went to college, where? degree? year graduated?
4) occupation?
5) employer?
6) church, military and civic service?

If any of your married children would like their families to be in the Supplement, give me their name and address and I'll send a form. I must say, too, that persons not born with the name Merwin must become members of our Association to have their families in the Supplement. The annual dues are $2.00.

I talked to your mother on the phone a couple of weeks ago. Called her in an attempt to get your brother Elmer Burton Merwi address so I could write him. She said he was moving so she did not have the address. Will you please get it for me when he settles down? I'll appreciate it.

Best regards,
Merwyn

Last week-end my wife and I visited your area in an attempt to write up the many Merwins there for the Supplement.

Unfortunately, you were not at home when we called.

I am enclosing a copy of my letter of Dec. 31, 1981. Won't you please answer it? It will take only a few minutes. We do want your family in the book.

Best regards,

PS - I have information on all your brothers and sisters except you and Elmer Burton Merwin. No one seems to know his address; so, I guess I can't get his data. But I'm sure you dont want to be left out.

Dec. 4, 1981

Dear Cousin:

In October, I wrote you asking for some information about you and Kathleen. Perhaps you did not understand what I am asking. Would you please answer these questions about both of you.

1) Where did you go to school? Town–
2) Did you graduate from high school? What year?
3) What type of work do you do?
4) For whom do you work?

With this information, I'll be able to finish your entry for the Supplement to The Merwin Family in North America. Enclosed is an order blank for our book in case you wish to get a copy. It may seem expensive but you can trace your ancestors back ten generations.

Many months ago I sent your parents family record sheets for you and all of your brothers and sisters. You are the only one who replied. Would you please give me their addresses and phone numbers? I want to contact them so I may include them in the book we are writing. Your help will be greatly appreciated.

Do you have a phone? I tried to call you last night but Directory Service had no listing for you at Richmondville. There was a Charles Merwin listed. Is he related to you?,

Best regards, Merwyn

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Dear Cousin:

We are, as you may know, in the process of writing a supplement to the Merwin Family in North America, the genealogy published by the Miles Merwin Association in 1978. Our intention is to rewrite the 10th generation and add persons in the 11th, 12th and 13th.

Please review the enclosed information about your family and make any necessary correction or addition. If a family record sheet is enclosed, missing items are encircled or marked with a question mark. Please provide a brief biography of all persons over age 18.

Our association was created to serve Merwins who are descended from Miles Merwin (1623-97). For many years our newsletter Milestones has been published several times a year, reunions of Merwins have been sponsored, directories of Merwins provided and the genealogy was published in 1978. If you are not now a member of our association, we urge your support so we may continue to serve you. Annual dues are a mere $2.00. Please send me a check payable to Miles Merwin Assn.

Sincerely,

Merwyn

Dear Cousin:

It was a pleasure to receive prompt information on your family. Enclosed is a draft of your family entry as it will appear in the Supplement. Just two things missing – 1) the date of your marriage and 2) where you were married (city & state).

If you would like to add a little history of you and Thoron, we will be pleased to include it. Where you went to school, year of graduation, occupation, employer; civic, church or military service, etc.

Enclosed is an order form for The Merwin Family in North America. I know you'll be pleased with it despite the cost. You will be able to trace your line back to Miles' Merwin – ten generations.

One other thing. Would you help me get information on your parents and brothers and sister? Enclosed is a copy of a letter I wrote to your mother after I talked to her on the phone. She seemed hesitant to give me information.

Perhaps if you ask her, she will be reassured. Any help you can give me will be much appreciated.

Best regards,

Merwyn

Dear Mr. Buchanan,

In reply to your letter of Nov. 20th It had slipped my mind that Linda's name wasn't in the book because she wasn't a member of the Association. The other matter was on P. 922. Vol 2 under Nelson between Julia & Lydia Linda Susan (Hutton) Grounds was listed. She was not Nelson it was Carol Anne Grounds Nelson as referred to on P. 359. Otherwise every thing is fine. It seems most of my family is letting me pay the dues & be a member while they read my newsletters & books.

Dear Cousin:

Last June you sent me a note about changes in your family and corrections to our genealogy.

You pointed out that Linda Susan Grounds' married name Hutton was omitted from p. 359 of Volume II. That is correct because she was not a member of the Association at the time the book was printed. If you remember the rule, children of members not born with the name Merwin may have only their name and date of birth mentioned unless they were members.

I am not able to understand your comments about p.922 and 906. I see no mention of Nelson, Carol Anne or Linda Susan on those pages. Perhaps if you could explain again, I will follow you. Notice the entry for 4467 Gertrude Dorothy Merwin was made from information supplied April 3, 1967 in Volume I.

Best regards,

THE MEETING IN ST CROIX

In June 1985 the Board of Directors of the Association voted to have their winter board meeting in January on St Croix. Their spouses were, naturally, invited also.

We all arrived within a day or so of each other and kept track of the gluttonous habits of each other by always having breakfast and dinner together in the lovely setting of Sprat Hall with the lovely fresh flowers on the table each morning and candles in the evening. We never missed a meal of Jim Hurd's fresh vegetables and Joyce's fresh fish catch. Some of us stayed in the Arowak Cottages and some in the slave quarters. We were in the cottages and having our own pet lizards was a privilege -- George and I had Charlie in the bedroom and Sam in the bath. Also, the limes growing outside could be picked for the drinks. We missed the fresh bananas this year (the horses ate the plants).

The days of each couple were filled with driving about the island and sunning/bathing with lunch at the Beach House as a rule.We had excellent guides in Ruth and Ed MacMasters, who showed us where her grandfather first lived in town and homes of her parents as well as those of other relatives and friends. The shopping tours with Joyce were always a treat. You never knew where she would stop next or who you might meet. Everything was fast moving and exciting and you became a part of the town as there is not anyone in Fredriksted that does not know her and the Merwins.

At one time or another all of us visted the historical Whim Plantation which is a well preserved, lovely and interesting eigtheenth century sugar plantation. Charles and Betty invited me to take a home tour with them over at Christiansted, which I am glad I didn't miss. Sorry to have missed the other six around the island. George was not sorry as I would have spent $700 just looking at houses and an additional six weeks at
✓ Sprat Hall without him.

Through Charles's curiosity and enthusiasm a number of us attended the St. Pauls Episcopal Church in Frederiksted with Bob Merwin of Frederiksted and enjoyed a very refreshing communion serice with hymns many of us knew.

Merwyn and Betty Buchanan organized a trip to Buck Island National Park by glass-bottom boat for some of the group. It was a pleasant outing. Tink and Gaius Merwin will remember their many attempts to play tennis and then finding something else to do because of wet courts.

Each visiting Merwin couple was asked what they would remember and liked about the get-together. They all answered the friendliness and graciousness of the hosts and the family group. Then the men allowed the scenery and low flying helicopter over the beach checking the sun bathers was exciting. Most found the relaxing surroundings and fantastic four star food of Sprat Hall and the Beach House were more than enough for a fantastic vacation. We all decided we don't need an "Aloha" or lei to intrigue us back again -- only money for the flight.

Dear Gertrude:

The publisher of THE MERWIN FAMILY IN NORTH AMERICA recently returned the original manuscript and the photographs which were used to print Volume II.

Returned herewith are the photographs which you submitted for use in the book. Although all possible care was taken, I am sorry to say a couple of them were somewhat damaged.

Not all pictures submitted were used in the book mainly because there was a space limitation. If one or more of yours were not used, please accept my apologies.

Your kindness and generosity in offering your family pictures is much appreciated and they contributed significantly to the attractiveness and character of the book.

Best regards,

Dear Merwyn,

I have filled out the 2 forms for my daughters. Linda checked & corrected her form & on Carols we didn't want to send to Calif for the information as I dont quite know about how the situation is there. All information on John Nelson is correct. But she has been in Calif. since her seperation and finally divoce from John & for the last 2 years has been living with but not married to Michael Gibbons who is the father of their child. Crystal Rose Gibbons. There is no delicate way to say this & it seems to be the situation with so many young people today. We dont approve but you can't force them. His Mother & Father live there and are very helpful & good to them. I dont even know their names but hope some day to get out there & meet them & maybe in time things will change. I am enclosing a check for $4.00 for Linda & Carol.

Rose Grounds

P.S. I recieved my copy of the book + have been thrilled with it. There is information in there that neither my aunts or Mother knew about. I have reminded my brothers + sisters about getting to their papers. Could you send send a couple of forms to me as I think maybe my aunts Vivian + Mildred might be interested now in filing them with you.

Thank You.

Dear Rose:

I well know how frustrating it is to get genealogical information from disinterested people. It is great to know you are interested. Perhaps you will help me with you great family. You are the only one I have heard from. May be you jog your brothers and sisters to send me their forms. If ~~on~~ anyone needs more forms, please let me know.

Now, as to how I can help you. Enclosed is an order form for The Merwin Family in North America. If you order a copy, you'll find your name on page 924 and you will be able to trace your Merwin line back to 1623. The price of the book may seem high but it is well worth it and will out last us by many generations.

The supplement will carry your line on by showing your children and their children (if any).

Enclosed are record sheets for your children. If they care to become members, we can show their families in the Supplement. Otherwise I can show only their names.

Please give me any needed correction on the enclosed draft of your entry.

Sincerely,

Merwyn

Dear Mr. Buchanan,

I was so glad that my mother
heard from you. as she had lost all
the papers + address on the Merwin

touch with you. I had been tracing
ur family tree on my father's side
and have gotton all the information
needed there and wanted to start
my mothers side. I was hoping
to be able to obtain either a copy
f your book or needed information.
t seems my aunts aren't really
nterested & don't give to much inform-
tion & my Mother doesn't know to far
ack and forgets to write down facts
or me. So I don't have too much only
Grampa Merwins Mother & Fathers names

and his brothers & sisters. But noth
back from there. I would appreciate
& gladly pay any cost for any help or
books etc. I could get.

Thank You

Dear Cousin:

As you may know, we are writing a supplement to The Merwin Family in North America. We are rewriting the 10th Generation and adding the 11th, 12th + 13th. Enclosed is a copy of your family entry as shown in the book together with a family record sheet for each of your children.

Please give me any correction required on the write-up of you and your husband and add, if you like, a short biography of both of you.

Then, I'd like you to ask each of your children to fill out and return their family record sheet to me. Perhaps you'll explain to them that, to show their families in the supplement, they must become members of our association. Each of them should send me a check with their family record for $2.00 annual dues payable to Miles Merwin Assoc. The $2.00 covers parents and all unmarried children. Quite a bargain.

I had quite a time locating you. Finally got your address from your son Clifford.

Best regards,

Merwyn

Dear Cousin:

We need your help in preparing the supplement to the Merwin Family in North America.

Enclosed is a copy of your family's entry in MFNA. Is there any change you feel should be made? Particularly in the personal history section up-dating may be necessary.

If you have children over eighteen years of age, you will find enclosed a Merwin Family Record blank. If your child is married, please complete the family record for him or her and return it to me.

Your help is much appreciated.

Sincerely,

Merwyn

Can you help me locate anyone in this family?

So sorry - but I have no contact with the Merwin's - the Catskills are some distance from here + I don't drive - Wish I could help - but I have no way of doing so —

Dear Rose:

Thank you for your welcome letter of March 9th.

As I figure it out, your grandparents on the Bouton side were second cousins once removed. Thanks for the chart - very helpful.

I well understand your dilemma about Carol's present way of life. In the work I'm doing, I run across these situations and it is difficult to know how to report them. After much deliberation, I came to the conclusion that I should simply state the facts as I am given to understand them. It is important from a genealogical view to report all facts available so that future generations may trace their ancestory accurately. Keep in mind the Supplement won't be published for at least two years - perhaps more. Let me know if the situation changes and I'll change the record. Although I'll send Carol Milestones and the address list, I shall not write her.

Oh yes, one little missing detail. What is Robert Hutton's middle name? C______.

I'm happy to hear you are pleased with the MFNA. Enclosed are record sheets for your aunts. Please ask them to fill in the encircled items.

Best regards,

Merwyn

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Dear Cousin:

Enclosed is a final draft of your family entry for the Supplement.

I have written your son and explained to him that his family could not be shown in the Supplement unless he joins our association. He has furnished information, but ignored my request for $2.00 annual dues. Unless I received payment of his dues by December 15th, I shall delete all information about him from the enclosed entry except for his name and date of birth.

I dislike doing this, but I have no choice. I'm writing you about this because I do not want you to be surprised and possibly dismayed when the Supplement is published.

Best regards,

Merwyn

new home in Jewett Center, which was a small log hut covered with bark. Their nearest neighbor, John Gass, lived about five miles away. Later Jared Rice moved into the area followed by other settlers. In time, a school house was built which became District No. 5 and a Baptist Church was built by a Mr. Kipp, boss carpenter. As the church was built by square rule, critics howled and said it would never come to a joint as Mr. Kipp framed the timbers in diferent places, but when the frame was put together, every joint was a perfect fit. A Richard Peck erected a sawmill and grist mill on the Schoharie Creek.

Soon, this settlement in Jewett Center had a number of settlers and was a thriving little community.

Zephaniah Chase had now built a two story house, lived to be 80 years old and was buried in a family cemetery on the north side of the house. His son, West, operated an inn and was postmaster for over 40 years. He died at 83 and was buried in the family plot.

In 1816, the settlers were frightened by a total eclipse of the sun. It became so dark the men had to stop work, put their horses in the barn and the fowls went to roost.

The second immigration into Jewett was in 1789, when Chester Hull of Wallingford, Connecticut, settled in Jewett Heights. Other pioneers who moved to Jewett Heights at about this time were Daniel and Samuel Merwin; Daniel Miles; Samuel and Theophilus Peck; Zadock Pratt; Henry Goslee; David and Stephen Johnson; Benajah, John and Jared Rice; Laban, Ichabod, Abraham and Amherst Andrews; Justus Squires; Isaac and Munson Buell; Gideon Reuben; Joel Josford and Adnah Beach.

These settlers in the Jewett Heights area had originally planned to build new homes in the Schoharie Valley, but hearing about the hostility of the Indians farther west and also learning that a Mr. Tomlison, a native of New Haven, Connecticut, would sell them a large tract of land on easy terms, persuaded them to change their plans and settle at Jewett Heights.

Another family which immigrated to Jewett from Wallingford, Connecticut, about 1793, was Thomas and Ester Merwin and their seven children--three sons and four daughters, for the most part, grown up. The Merwins purchased a tract of land large enough so that the father, Thomas, and each of the three sons, Daniel, Samuel and Thomas, Jr., could have a farm. The country was still a wilderness with the exception of a few clearings made by the early pioneers from Wallingford, Connecticut. From these three Merwin brothers sprang all the families located on Merwin Street near Tower Mountain for all had large families except Daniel who had only six children. At one time there were 49 Merwin children attending school.

The Merwins built log houses with great stone chimneys and heavy plank doors which could be barricaded on the inside against the Indians.

After the land had been cleared, the cabins built, and the crops planted, the three Merwin sons, Daniel, Samuel and Thomas, Jr., returned to Fair Haven, Connecticut, for their brides. It was a long journey! All on horseback and most of the way to Catskill by marked trees, a distance of about 25 miles, and then on to Connecticut.

The young women brought with them to Jewett from their homes in Connecticut, all kinds of flower seeds, plants and roots both cultivated and wild, a bunch of smellage (wild celery), wormwood, catnip, sage, etc.

The country to which the three brides came from their homes "down east" was indeed a wilderness with few conveniences. Matches were unknown. Flint and tinder were used to start a fire. The fireplace heated the cabin and served for cooking and providing light. Pins were scarce. Women made their own yeast cakes (called in those days, turnpikes); also soda and starch. Pumpkins took the place of apples and other fruit for a number of years.

Each family made its own soap. Every garment for both men and women was homemade. Girls were taught to spin at an early age and when they married they were expected to have a pillowcase filled with stockings knit by themselves, also bed and table linen which they had spun and woven.

These colonists were in far better circumstances than the majority of settlers who had immigrated to the mountains prior to their coming.

They were descendants of old Puritan stock, industrious, and began clearing the land and building new homes with true New England energy. Their influence is still felt in the town and on the Mountain Top.

The third large immigration into Jewett was from 1795-1800 when Jonathan Beach of Goshen, Connecticut, came to the region now known as Goshen Street with 30 or 40 other families. With him came his son, Erastus, grown and perhaps

already married. They passed through Catskill, the Main Street of which at that time was only a turnpike, which they followed to Windham. From that point it was necessary to open a road through the woods and up the mountain to Goshen Street. The colony built a common shelter and then erected log houses, one for each family.

Charles L. Beach was born April 26, 1808, in one of these first log houses. In April, 1813, when Charles L. Beach was five years old, his father, Eratsus, moved to Catskill.

Charles L. Beach later leased the Catskill Mountain House for five years, 1839-1844. He purchased the property and took possession of it on January 1, 1845. Mr. Beach enlarged and improved the house and property and was the proprietor until his death on October 2, 1902, at the age of 94 years, 5 months and six days.

Charles L. Beach was also president and the largest subscriber of the Catskill Mountain Railroad. He helped build the Otis Elevating Railroad in 1892, in a period of only seven months. This Otis Railroad met the Catskill Mountain Railroad at the foot of the Mountains and lifted passengers and freight to the top. Mr. Beach was also interested in the Cairo Railroad and the Catskill-Tannersville Railway.

It was in 1806, that a fourth group of settlers emigrated from Scott's Patent in Schoharie County to the eastern part of the town and settled on the flats opposite the site of the present East Jewett United Methodist Church.

This little group of pioneers consisted of 13 members including Lemuel Woodworth, his wife, Lydia, and their five children; Lydia's brother, Matthew Winter, wife, Anna who was Lemuel's sister and their one child, Matthew's parents and his brother, Roger Winter.

On the flat near the Eastkill Creek this closely-knit, little group built three log cabins: double ones for Lemuel's and Matthew's families and a single one for Matthew's parents and brother.

As soon as their homes were completed, they were consecrated by prayer and were thereafter the scene of family devotions and worship services on Sunday.

Before the Woodworths and Winters moved to East Jewett in 1806, there were several families living up the valley in the eastern foothills known as the "Spruce Woods" above the Colgate farm buildings. These early immigrants had probably come over the mountain from the Round Top region near Cairo. They had settled here because of the fertile soil, springs of good water and the great abundance of large spruce trees. A few years later it was reported that as many as three sawmills were operating in the "Spruce Woods" at one time and great quantities of beautiful spruce lumber were being drawn out of the valley by horse and ox teams to Catskill, Cairo and other distant points. The old road from Storks Nest Road near Round Top over the mountain can still be followed. Philip Mead and Timothy Lockwood and their large families had settled in this region. Timothy Lockwood had first come from Dutchess County in 1797, but was so greatly frightened by the howling of the wolves that he immediately returned to whence he came, greatly fearing that he would not get back alive. Some five years later, he returned to East Jewett where he lived for about fifteen years then moved to Mentz, New York, and his later history is not known. Also, to the west of the Woodworth and Winter's settlements farther down the valley, Jonathan Fairchild, Jehiel Winchell, Samuel Hanson and John Beach had taken out "grants" and built homes.

The Eastkill Valley and mountain sides were generously forested with spruce and hemlock.

One can only surmise that their circumstance may have brought the Schoharie County families into the Valley as settlers, for Jonathan Fairchild was a tanner and might well have forseen the coming of this industry.

Mrs. Grant Robinson, a daughter of George Griffin who was born in 1848, on what is now known as the Colgate Farm, told Margaret O'Bryan, Jewett historian in 1960, that her grandfather remembered the great snow storm of April 7 and 14, 1857, which was more severe than the blizzard of 1888. It was reported that four feet of snow fell on April 7, and had settled only a foot when another four feet fell on April 14, making a total of seven feet. Barn roofs caved in and many cattle were killed.

Another early Jewett settlement which became known for its mills and manufacturing was Mill Hollow, situated on Roaring Brook and East Kill Creek between Jewett Heights and Beaches Corners and north of Jewett Center.

Around 1785, Laban Andrews came from Wallingford, Connecticut, with his sons and built a sawmill and gristmill. Not long after, Stephen Johnson and Abner Hammond (who came from Hudson) built sawmills, wooden dish mills and

History of Jewett Heights by Eunice Atwater Banks 1976 BiCenn Comm

Rice blood since it was first settled. It was in the Rice name until a few years ago when Frank Rice, Jr. died. It was one of the few places in town to be so held. I have been told that at one time every house on the street was owned by Rices, although Lucius North built what is now the Aubrey Thompson home. The Samuel Atwater place (he married Polly, daughter of Benajah Rice and is my progenitor) has been bulldozed into oblivion and a big, fancy ranch type home stands on the spot, just south of the Thompsons.

Captain Henry Goslee pioneered in West Jewett together with Israel Whitcomb in 1787-88. Goslee settled where Henry Dieffenbach now owns; Whitcomb settled where Harrison and Wilma Soule now live. They operate one of the few dairies left in town. It was always told that Zadock Pratt, Sr. built the house where Martin Hudecek now owns. Apparently, the Baldwin's settled there and it seems safe to assume that they built a log cabin which was razed for Mr. Pratt's fine, full two-story dwelling. Such houses were few and far between in those days. My place was the Issac Hinnman place and at least some of it was purchased from one Eri Pond, but no Eri Pond is mentioned in any of the deeds I have had time to research. However, he surely is on my deed. Peter Girocano now owns the former Pond place. Joel Dickerman owned one of the Hesley places. The other Hesley place could have been owned by one John Goodsell. I think the other two places on County Route 77 were Bailey places. One house still stands, in ruins, and the other burned several years ago; only the barn and cellar remain.

Directly across the Goshen Street Road from County Route 77 the house now owned by William Giddins could have been Samuel Osborn's Homestead. Turning west, the "Millstone" was apparently the pioneer stand of Justice Coe. Kenneth Morse's home was that of L. Beach. Back in the lot on Pangman Road was the cabin of Samuel Avery. Where Sunnycrest Villa now is, lived Luther Bailey and across from him lived George W. Miles, son of George, Sr., who built in the forks which lead to Camp Mohawk. The site of Camp Mohawk was pioneered by another of the Distin family. An interesting fact which few people know is that the Miles Cemetery is in back of the barn lot on the former George W. Miles place The two Miles brothers, Daniel and Rolland, were interred there not much more than fifteen years ago. Continuing south, the place now owned by A. Buell Morse was first bought by J. and Philo Peck. Apparently, they bought a large tract because all of the old houses down the salt-box house, now owned by Douglas and Louise Murray, were Peck houses. The salt-box house stands in the fork of the road at the foot of Potash Hill and could possibly have been the homesite of Dr. Gad Pond. He also had a sawmill and the building still standing across the road might have housed the mill. The "Potash" is the hill which now leads to County Route 17 and was so named because of the potash pit at the foot.

Now we come to the Heights proper and frankly, as I mentioned, there are far too many names for the available houses. I know for certain that just east from the churches and the academy, now the Jewett Firehouse, was a store apparently run by Hosford and Mann, together with a boarding house attached. Both burned about ten years ago and the present owner, Jack Slevens, has built a small house on the spot. George L. "Daddy" Chase ran the Jewett House for many years there. The rest of the places you will have to "salt and pepper" as best you can except that I know that the "Blue Willow" and the present Newell Morse house were not there in early pioneer times. I have been told one of the Goslee owners gave Hale Pangman the choice of a building lot and helped build his house. How true this is is a moot question. The "Blue Willow" sometime in the late 1800's by the name of Arnold as a retirement home. The present Milton Goslee house has been in the family for at least four or five generations. The Peck Cemetery is in back of the Slevens home.

Merwin Street is also said to have been named because every house on it was owned by Merwins. At any rate Thomas and Esther Merwin in about 1793 together with their grown sons Daniel, Samuel, and Thomas and bought all the land now occupied by the Alex Kirkman home and all other places on the west side of the road. Somewhat later Uncle David Pond built "Tower Mountain House" which was razed around 1940 to build the house now occupied by Bill and Laura Maben.

In conclusion, I will have to admit that I have left many houses out, but I cannot seem to get any inkling as to just whom they belonged first, and so would rather leave them out than to make a glaring error. I have hit the high spots and maybe, later, if my present interest holds, I shall do some more research. Now I am going to lift, almost verbatim, a paragraph from the **Beers History** concerning the hamlet of Jewett Heights.

"It is said by some that the descendants of the

early settlers that their destination of these pioneers was farther westward, but the hostility of the Indians was such that they concluded to settle in Jewett. As a portion of the land was owned by a Mr. Tomilson of New Haven, Connecticut, he offered them a large tract of land on easy terms. They accepted his offer and commenced clearing the land. These colonists were in far better circumstances than that of the majority of settlers who had come prior to their arrival."

Many of them came from New Haven and environs and the Rices, through a grandmother, were direct descendants of the Yales. They and the Merwins were the musicians of the community and were somewhat frowned upon by the straight-laced Presbyterians.

Dear Vivian:

Yesterday I mailed back to you the Bicentennial booklet you loaned me. Many thanks. We shall use excerpts from it in a *Milestones* in the near future. Enclosed is my check to reimburse you for postage.

Speaking of *Milestones*, I sent you a sample copy. Would you like to receive it on a continuing basis? It will keep you up on what is happening with Merwins all over the world. I am beginning to work on the August issue now. You can receive it by joining our association. Just send me a check payable to The Miles Merwin Assn for $2.00 annual dues and we'll sign you up.

Best regards,

Merwyn

Dear Cousin Vivian:

Thank you for the booklet on Windham-Ashland-Jewett-Prattsville. I'll return it to you very shortly.

I also appreciate receiving Robert's family record and biography of him and Robin. As far as I can see, your family entry is now complete. That is except for one thing — Robert must become a member of our association. He overlooked sending his annual dues of $2.00. He must show enough interest to be a member or I may not mention anything more about him than his name and date of birth. This applies to all persons not born with the family name Merwin. Please remind him.

Best regards,

Merwin

Dear Cousin:

Your mother gave me your address. In 1978, we wrote The Merwin Family in North America and we are now writing a supplement to bring down each family line. Enclosed is a draft of your family entry showing what information is missing.

1) what is your middle name?
2) what is Elizabeth's full date of birth?

Please also give me your son Raymond's address so I may write him for information.

Make any needed correction on your entry.

Best regards,
Merwyn

✓ Mr. and Mrs. James Marold

Merwin - Marold

Cathy Merwin of Gilboa, and James Marold were united in marriage at the Gilboa Methodist Church Saturday, August 25 in a double ring service.

The bride is the daughter of Mr. and Mrs. Kenneth Merwin of Gilboa and the groom is the son of Mr. and Mrs. James Marold of Elkland.

The bride, given in marriage by her parents, and escorted to the altar by her father, wore a chantilly lace gown featuring a Queen Anne neckline adorned with venice lace and iridescents, long full sleeves of chiffon and chantilly lace, and an apron pleated skirt which flowed into a cathedral train. She wore a pearl trimmed, lace covered derby with fingertip veil and carried a colonial bouquet of red and white silk roses.

Susan Merwin of Prattsville, was maid of honor for her sister. Her gown featured a white bodice and light blue taffeta skirt. She carried a colonial bouquet of yellow sweetheart silk roses and baby's breath.

Bridesmaids were Debra Nevins of Westerlo, and Lisa Rion of Prattsville. Their dresses were styled like the honor attendant's in blue. They carried colonial bouquets of pink silk roses.

The flower girl was Jessica Starkweather of Gilboa. Her dress was similar to the honor attendant's, and she carried a basket of silk flowers.

Best man was Adam Blastic of Hollywood, Maryland. The ushers were Ron Burton of White River, Vermont and Terry Marold, cousin of the groom of Middletown. Ryan Funck of Roxbury, was ringbearer. All wore white tuxedos with blue cummerbunds and blue rose boutonierres.

For her daughter's wedding, Mrs. Merwin chose a full length jacket dress in blue and a pink rose corsage. The groom's mother wore a full length pink dress with lace jacket and pink rose corsage.

The ceremony was performed by the Rev. Charlotte Jaroscsak. The organist was Coralie Buel and the soloist was Emma Cornell who sang "The Wedding Song" and "You Light Up My Life."

A reception was held at the Ron De Voo Restaurant in Gilboa for 150 guests. Music was provided by the band "Home Grown." The groom's parents hosted a rehearsal dinner at the bride's home the evening before the ceremony.

The bride is a graduate of Gilboa - Conesville Central School and Northern Catskill Occupational Center. Prior to her marriage she was employed by Becker Electronics in East Durham.

Dear Mrs. Merwin:

Since we are writing a supplement to The Merwin Family in North America, I contacted your son Loren in Berea for information on his family.

He told me his father died in 1975. Would you please give me the month and ~~your~~ day?

I can't help but ask. Was your husband's first name spelled Lauren. I know your son signs his name Loren. They are unusual names and quite similar.

Thank you for your help.

Best regards,

Merwyn
